

Complaints Policy

Best for Training Ltd aims to provide the best quality and value training to our learners and employers. We will deal with any complaints or concerns in a prompt and professional manner. We will always aim for delivering exceptional customer service and will constantly strive to provide the best learning experience.

In the first instance, we would encourage learners and employers to raise concerns informally with their consultant, trainer or assessor. Often this resolves the issue at the earliest stage without the need to escalate to a formal complaint. If the complaint cannot be resolved informally then a written complaint should be lodged with the Directors of Best for Training Ltd.
